

**Ernie Coshonis**  
Vice-President / COO / Moving Services Director

Ernie Coshonis is The Talbot Group's Vice-President and COO. He also heads up our entire moving services operation.

As Moving Services Director, Ernie manages your entire household goods move. Ernie obtains the move estimates, selects the final mover based on price and availability, audits the final invoice for accuracy, and manages the claims process when necessary. Most importantly, he advocates for your transferee every step of the way. Given the cyclical nature of moves, a huge benefit to Ernie's advocacy skills are that they'll be needed most at the very height of the season. More moves occur during the summer than the other three seasons combined; more problems occur then as well. Ernie's finesse at scheduling for preferred dates, negotiating best terms, problem-solving and feather-smoothing, are all the more critical when all parties are under duress.

Ernie has been in the relocation business for two decades. An avid sports enthusiast, he began by moving professional athletes, and from that grew his company, Home Team Relocation. In 1996 Ernie affiliated with MoveMasters, a fledgling company providing household moving services to academic employees. Under Ernie's persistent and capable leadership, MoveMasters eventually grew to offer full-move counseling that included rental, buying and selling assistance as well. MoveMasters was absorbed by The Talbot Group and Ernie has been The Talbot Group's Moving Services Director ever since.

A consistent presence at conferences, on campuses, and at sports events, Ernie has developed a national reputation for expertise in his field. Because of Ernie, our cadre of clients expands as people request his assistance for their personal moves, and then refer him to others who need to relocate. Ernie is known for his exceptional responsiveness, resourcefulness, and problem-solving skills. He is able to calm people down during "crisis moments" in a move like no other.

In July of 2009, Ernie was named Vice-President and COO (Chief Operating Officer) of The Talbot Group. He continues to head up Moving Services as well. Prior to his relocation career, Ernie owned his own restaurant in New York City. Today a resident of Florida, his passions for sports and food – although not sports food – haven't subsided a bit.
